

Annual Election of u3a Committee 2026

At each Annual General Meeting of our u3a the existing committee stands down, and a committee must be elected for the coming year. Members of the outgoing committee, if willing and eligible, can be re-elected to the new committee. This will take place at our Annual General Meeting 1 September 2026. **All current committee members are available for re-election.** You are also invited to propose new members for election if you wish. A proposal form is attached.

Signed proposals must be received by 10 August 2026.

(If submitting electronically, signatures can be obtained before the election, at the meeting,)
